STUDENT TESTIMONIAL Priyanka Jadeja

“Being a part of RK University has really been a great experience which has encouraged me to develop my confidence, deal with problems, learn different managerial skills and actualize my dreams. My RK University experiences had been amazing. I had learned and experienced so many things in such a short period of time. Medical radiology and imaging technology is a course full of opportunities and after studying it felt so good. it is really a very interesting and important course.”

Rasotsav (Garba) | & many more

STUDENT TESTIMONIAL Yashkumar Sojitra

“ I am studying at RK University from 2 years, I can proudly say that it fosters multidimensional skills in students, enriching their overall personality. The Faculty of Medicine has always been helpful in terms of career guidance and for letting us showcase our potentials. Various extra-curricular activities organized by the department helps everyone to explore their skills. It is a global launchpad providing huge opportunities to students coming from different areas. ”
