The symposium on “evolve job professionals and unlimited opportunities for physiotherapists” by Dr. Alap Shah, Head, Physiotherapist, Mission Health, Ahmedabad

School of Physiotherapy, RK University invited Dr. Alap Shah on 5th October 2013 for an interactive session with students' building a successful professional career in physiotherapy practice. Dr. Alap Shah is renowned physiotherapist and successful role-model in physiotherapy practice, running chains of physiotherapy clinics named under “Mission Health” in Ahmedabad. He has modern physiotherapy centers treating more than 500 patients per day with team of more than 50 well-qualified physiotherapists. Quality treatment in health care system and valued marketing strategies are key concept of overall success.

Dr. Shah has discussed his professional strategies and way to success in physiotherapy practice. He strongly believed the fabulous opportunities in physiotherapy practice but requires hard-work and planning in private clinical practice. He has also enlighten the various areas of professional practice and opportunities. His motivational speech and presentation was well able to hold students for 2 hours of session. Dr. Ankur Parekh, faculty, SOPT and his team has taken all the efforts to successful conduct of the event.
